We are in receipt of your spreadsheet to associate your applications/patents with your customer number, and there are a few files that are currently going to a different address for correspondence.

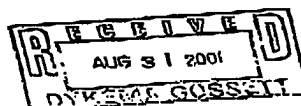

Please take a look at the attached spreadsheet, which lists the "questionable" applications. Once you have verified whether or not you wish to associate these applications/patents with your customer number, please mark them as such on the attached spreadsheet (i.e., yes/no) and fax it back to me at 703-808-2840.

If there are NO changes to be made, you can just fax me back to let me know that it is ok to associate all files with your customer number.

Thank you and if you have any questions, please give me a call at (703) 305-3028.

Sincerely,

Stacy Fuller
